

Communications Committee—This Committee is responsible for periodic publishing of a newsletter as well as maintaining a website of pertinent Association information. The newsletter will focus only on neighborhood news. Committee updates, news from the Board and other events of the Association will be the areas of news focus. It is the primary communication tool for current information. The website will serve as a repository for Association information and shall be used by Members for general information and for non-members when making a decision to purchase a neighborhood property.
