Yard of the Month POSTPONED.....

The Yard of the Month award has been postponed due to our severe drought conditions. Based on input from the community, the Homeowners Association decided at their November Board meeting to postpone the award until our area can recover from the current drought.

SPECIAL THANKS...

Thanks to Colene Copeland, Kelly Copeland, Rosie Flannigan, B.J. Gearhart, Sue Gross, Phyllis Lea and Deborah Pesta for decorating our Clubhouse and Entrances with lights and garland for the Christmas Season. We look forward to many more residents joining us in January to take them down again.
